Blake Taylor new construction, estimated completion 4/20.
Backs to woods/wetlands, no one can build behind. 0.65 acre lot is deep, on curve, gets wider in back, house sits farther back off road. Woods across street will remain, woods all down L side of Giles, the most natural private drive in all of Grove Pointe.

4/3 plus 5th flex space in front can be formal Dining, Office, Playroom, etc.

Fireplace in vaulted Great Rm.
